ENTRANCE

**Announcements made the day of the pull will take precedence over
written rules.**

Legality of Entry:

- All entries must be street stock Semi Trucks or Tri-Axle Dumps.
- Truck must have affixed a current license plate of the state of registration and the owner must furnish the current registrations card and insurance card for the vehicle. This may be required at registration.

Safety Considerations:

- No riders are permitted in truck during a pull attempt.
- Driver may not leave the driver's seat while vehicle is on the pulling track.
- No pit crew members, family members, helpers, assistants, etc... may enter the pulling track at any time.
- Driver will take all direction from the flagman on the track.
- All persons in pit must purchase a pit pass, sign a waiver form and wear an official wristband.

Hitches:

- The promoter of the event will provide the hitching device.

- This hitch will work from the fifth wheel only for Semis and from hooks (each side) for Tri-Axles.
- Hitches will be placed in position and checked by officials just prior to the truck entering the track to pull.
- It shall be the owner's/driver's responsibility to lock the fifth wheel hitch in place.
- Hitch will be no higher than 26".

Weight of Truck:

- The truck shall appear "road ready."
- No added weight of ballast is permitted.
- Special trucks, such as oil field trucks that carry additional weight that is not normally found on a "road ready" truck, are not permitted in this class.

Special Rules:

- Chaining or blocking of drive axles are NOT permitted.
- A single turbo-charger is the maximum permitted.
- No ether, alcohol, water, nitrous, or other liquid or combustible material may be injected into the turbo-charger or any part of the air intake system.

Operation of Contest:

- Puller must register, pay all prevailing hook fees and attend the driver's meeting prior to hooking to the weight transfer machine.
- Contest to be operated in the same fashion as the other pulling classes in that session.
- Director of competitions shall have any final decision-making power in any and all disputes.
- Each puller may use the '75 mark on first attempt. Failure to reach that point shall entitle the puller to an immediate re-hook.
- If all other weight transfer techniques fail to produce a winner in the pull-off, the chain may be lengthened at the option of the director of the competition.
