

Indiana County Fair Scholarship Program Information

****Applicants may apply for both Clayton Winebark Livestock and Don White Dairy scholarships, but may only receive 1(one) of the scholarships 1(one) time only.**

****Applications materials will not be returned and will become property of the Indiana County Fair Board.**

****Applicants who do not receive a scholarship are encouraged to apply in subsequent years.**

****Applicants must abide by the rules page associated with their submitted scholarship.**

****Students must obtain a minimum 2.0 GPA**

****Applications postmarked after the 3rd (third) Saturday in June before the fair will not be considered.**

****Each applicant must have completed their senior year of high school and be enrolled in an accredited post-secondary educational institution.**

****The scholarship program will be under the direction of the Indiana County Fair Board.**

****All scholarship monies will be kept in separate accounts.**

****All money marked from the sale or in any other form of donations will be deposited into the accounts to keep the programs active.**

****Scholarship recipient will be determined by the scholarship committee of the Indiana County Fair Board.**

****Scholarship monies will be determined by the amount of funds available so the program may continue for future years.**

****Student must complete an application and a statement of approximately 300 words explaining how the Indiana County Fair has helped them to achieve goals, objectives and career choices.**
